State NRM Program community projects

Successful projects announced:

December 2016

June 2016

December 2015

December 2014

November 2013

October 2012

December 2011

May 2011

March 2010

Abbreviations

LCDC – Land Conservation District Committee

NRM – Natural Resource Management

WoNS – Weeds of National Significance

Successful Community Action projects - December 2016

Northern agricultural region - supported by Royalties for Regions

Recipient	Title	Grant
Bush Heritage	Restoration project plan and soil analysis at Eurardy Reserve (A16124)	\$15,000
City of Greater Geraldton	Chapman River Wildlife Corridor CARE Project Stage 4 (A16016)	\$20,000
City of Greater Geraldton	Greenough River Nature Walk Trail - Stage 2 (A16014)	\$54,000
City of Greater Geraldton	Restoration of Ego Creek (A16015)	\$15,000
Moore Catchment Council	Conserving and enhancing the Moore's natural biodiversity assets Stage 2 (A16055)	\$55,000
Moore Catchment Council	Conservation of Carnaby's Black Cockatoo in Moora and Boonanarring (A16130)	\$55,000
Wannamal Lake Catchment Group	Tortoise Safeways (A16108)	\$39,730
Yarra Yarra Catchment Management Group Incorporated	Creating a Buzz About Revegetation (A16083)	\$34,565
Yarra Yarra Catchment Management Group Incorporated	Creating Corridors and Protecting Fenceline Flora: Stage Two (A16034)	\$47,820

Peel-Harvey region - supported by Royalties for Regions

Recipient	Title	Grant
Ardross Primary School	The Grand Marri Plant Out (A16025)	\$50,000
Friends of the Reserves Boddington (Inc.)	Regeneration of Camballing Reserve Phase Two (A16114)	\$10,000
Popanyinning Progress Association	Eradication of Bridal Creeper along the Hotham River in Popanyinning (A16047)	\$15,120
Shire of Waroona	Landowner Support for Fire Recovery (A16054)	\$55,000

Avon (Wheatbelt) region - supported by Royalties for Regions

Recipient	Title	Grant
Avongro Inc.	Gabbin Reserve Mallee Fowl Revegetation project 2017 - Stage 2 (A16139)	\$32,200
BirdLife Australia	Creating options for increased bird diversity in the Central Wheatbelt (A16140)	\$10,000
Chittering Valley Land Conservation District Committee (Chittering Landcare Group)	Enhancing the Community Knowledge Base (A16138)	\$23,200
Chittering Valley Land Conservation District Committee (Chittering Landcare Group)	Feral Pig Control in the Chittering Shire (A16102)	\$55,000
Corrigin Farm Improvement Group	Improving soil health through establishment of the perennial legume Lebeckia (A16141)	\$36,500
Country for Rock-wallabies - Moorang Budjar	Protecting country for the Black-flanked rock-wallaby (A16090)	\$55,000
John Curtin College of the Arts	City Kids to the Country 2017 (A16026)	\$49,710
Men of The Trees Rockingham	Wildlife Corridor- Farmland to Boyagin Nature Reserve (A16081)	\$47,100
Shire of Goomalling	Velvet Pear Eradication Project (A16150)	\$20,425
Shire of Kent	Revegetation corridors and mitigation bushland livestock in the Kent Shire (A16142)	\$20,000
Shire of Merredin	Overcoming barriers to baiting in the Eastern Wheatbelt (A16136)	\$12,955
Shire of Trayning	Enhancing and Connecting Remnants in Trayning, Nungarin and Koorda Shires (A16095)	\$34,265
Shire of Westonia	Protecting the Biodiversity Values of Westonia Common: Stage 2 (A16143)	\$20,000
Warren Catchments Council Inc.	Utilising legumes and rhizobia in soil remediation and bushfoods productivity (A16093)	\$12,590

Swan region

Recipient	Title	Grant
Armadale Gosnells Landcare Group	Project Palomino: restoring the Wungong River (A16123)	\$13,040
Baigup Wetland Interest Group	Maximizing fauna diversity in Baigup Restoration Management (A16045)	\$35,300
Bannister Creek Catchment Group	Bannister Creek restoration maintenance project (A16071)	\$25,450
Birdlife Western Australia	Rainbow Lorikeets: pursuing an urban pest (A16019)	\$33,440
Birdlife Western Australia	Consolidation of biodiversity habitat (A16077)	\$40,000
Blackadder/Woodbridge Catchment Group Inc.	North Swan Park ecological linkage project (A16137)	\$20,700
City of Nedlands on behalf of WESROC	Feral cat control in western suburbs bushland (A16029)	\$17,000
Friends of John Forrest National Park	Control of geophyte, woody and herbaceous weeds in John Forrest National Park (A16039)	\$46,000
Friends of Lake Claremont Limited	Revegetation and infill on east side of Lake Claremont (A16112)	\$50,000
Friends at Mary Carroll Wetlands	Revegetation of riparian habitat at Mary Carroll Lake (A16126)	\$19,400
Friends of Paganoni Swamp	Controlling Dieback at Paganoni Swap Reserve (A16004)	\$27,850
Friends of Upper Lesmurdie Falls Inc.	Cascades rehabilitation project (A16116)	\$15,000
Helena River Catchment Group	Helena River rehabilitation project (A16115)	\$20,700
Mullaloo Beach Community Group Inc.	2017 Mullaloo Littler Desert ecological restoration (A16089)	\$24,040
Murdoch Environmental Restoration Group	Habitat protection and restoration for endangered fauna (A16069)	\$55,000
North Swan Land Conservation District committee	Community engagement and restoration of the Bullsbrook College bushland (A16104)	\$34,950
Rossmoyne Community kindergarten	Carnaby's and/or Forest Red-tailed Black Cockatoos conservation (A16103)	\$10,000
Shire of Kalamunda	Woodlupine Brook living stream transformation project: stage two (A16125)	\$54,390
South East Centre for Urban Landcare	Restoration and revegetation of Bull Creek Reserve (A16008)	\$30,000

Swan region – continued...

Recipient	Title	Grant
South East Centre for Urban Landcare	Restoration of Booragoon Lake (A16009)	\$12,000
South East Centre for Urban Landcare	Restoration of Yagan Reserve (A16020)	\$10,000
South East Centre for Urban Landcare	Beckenham Open Space linkage restoration project stage two (A16021)	\$13,000
South East Centre for Urban Landcare	Canning River foreshore restoration (A160022)	\$45,000
South East Centre for Urban Landcare	Restoration works of Bickley Brook Reservoir (A16044)	\$24,000
South East Centre for Urban Landcare	Woodman Point dune stabilization project (A16048)	\$49,795
South East Centre for Urban Landcare	Improving resilience and biodiversity of Aquinas College foreshore and embankment (A16145)	\$5,000
The Montessori School Kingsley Inc.	Montessori bushland regeneration 2016-2017 (A16075)	\$10,000

Rangelands region - supported by Royalties for Regions

Recipient	Title	Grant
City of Karratha	City of Karratha local biodiversity strategy (A16032)	\$55,000
Desert Support Services Pty Ltd.	Birriliburu IPA east side camel cull (A16056)	\$15,050
ECOCEAN Inc.	Community monitoring of whale sharks: Shark Bay World Heritage Area (A16129)	\$10,170
Environs Kimberley	Looking after Oongkalkada-Managing weeds and conserving eco-cultural heritage (A16050)	\$35,000
Gondwana Link Ltd	Managing Ngadju women's cultural places and intergenerational knowledge (A16091)	\$11,185
Gondwana Link Ltd	Ngadju restoring nature and culture at the Rocks (A16110)	\$21,515
Greening Australia (WA)	Restocking tussock grassland in the Pilbara (A16018)	\$36,000
Karajarri Traditional Lands Association	Karajarri integrated coastal management (A16134)	\$26,950
Kimberley Land Council	Violet Valley/Bow River and Mabel Downs vegetation restoration projects (A16122)	\$24,000
Meekatharra Rangelands Biosecurity Association Inc.	Management of feral donkeys in the Murchison (A16007)	\$43,565
Nyangumarta Warrarn AC	Nyangumarta – protecting assets around Ramsar 80 Mile Beach (A16051)	\$29,900
Ord Land and Water	Building weed control capabilities in the East Kimberley (A16017)	\$49,230
Ord Land and Water	Working towards eradicating rubber vine in the East Kimberley (A16033)	\$55,000
Pilbara Mesquite Management Committee	Protecting Pilbara Rivers from Weeds of National Significance (A16144)	\$47,560
Rangelands Fibre & Produce Association (INC.)	Eradication of <i>Opuntia elatior</i> from Wydgee Station (A16062)	\$10,000
Roebuck Bay Working Group Inc.	Bushtuckers, native plantings and community reinventing drains, walkways and pride (A16101)	\$35,895
The Ngarluma and Yindjibarndi Foundation	Parkinsonia eradication project (A16064)	\$19,550
Upper Gascoyne Land Conservation District Committee	Mitigation Rangeland grazing pressure through modifying animal behaviour (A16092)	\$31,500

Rangelands region – continued...

Recipient	Title	Grant
Walalakoo Aboriginal Corporation	Critical threat mitigation for rare and endangered flora and fauna (A16119)	\$34,000
West Kimberley Rubber Vine Steering Committee	Rubber Vine eradication – Fitzroy River ground search and control (A16074)	\$45,000
West Kimberley Rubber Vine Steering Committee	Rubber Vine eradication – Fitzroy River aerial search and control (A16127)	\$45,000
West Kimberley Rubber Vine Steering Committee	Aquila 3 rd Generation – maximizing imagery resolution to detect rubber vine (A16131)	\$30,000
Yaburara and Coastal Mardudhunera Aboriginal Corporation	Marduthuni Rangers – training in WoNS weed control in riparian environments (A16003)	\$50,000
Yindjibarndi Aboriginal Corporation	Eco-tourism land management fauna protection project on Indigenous lease (A16013)	\$43,725

South coast region - supported by Royalties for Regions

Recipient	Title	Grant
BirdLife Australia	Happy Hollows: enhancing breeding success and pest management (A16052)	\$48,060
Bush Heritage Australia	Re-establishment of priority flora, <i>Kunsea newbeyi</i> in Gondwana Link (A16028)	\$34,900
Conservation Council (WA)	Monitoring declining Flesh-footed Shearwaters on Breaksea Island (A16076)	\$11,750
Denmark Weed Action Group Inc.	Protecting biodiversity on the South Coast (A16011)	\$36,460
Esperance Weeds Action Group	Esperance bush fires invasive weed control post-fire at Warrenup Reserve (A16085)	\$54,995
Esperance Tjaltjaark Native Title Aboriginal Corporation	On-Ground protection of heritage sites within the Esperance fire scars (A16149)	\$36,270
Friends of Fitzgerald River National Park	Dibbler monitoring in Fitzgerald River National Park (A16027)	\$5,120
Gondwana Link	Nowanup rangers caring for country (A16042)	\$36,000

South coast region continued...

Recipient	Title	Grant
Greening Australia	Eco-cultural restoration in the FitzStirling section of Gondwana Link (A16117)	\$35,000
North Stirling's Pallinup Natural Resources Inc.	Actions for the Pallinup; demonstrating improvement in water condition (A16005)	\$53,405
North Stirling's Pallinup Natural Resources Inc.	Environmental restoration in the North Stirling's-Pallinup (A16006)	\$35,000
North Stirling's Pallinup Natural Resources Inc.	Addressing Climate Change & Soil Constraints with Diverse Pasture Systems (A16099)	\$30,000
Ravensthorpe Agricultural Initiative Network Inc.	Ravensthorpe revegetation - a community approach (A16072)	\$33,280
Shire of Esperance	Lake Monjingup restoration of eco-education facilities and materials completion project (A16057)	\$55,000
Shire of Esperance	Western beaches site planning (A16058)	\$15,500
Shire of Esperance	Western beaches site planning (A16058)	\$15,500
Shire of Esperance	Twilight erosion protection (A16061)	\$24,000
Shire of Esperance	Quagi Beach protection project (A16068)	\$42,000
Shire of Denmark	Continuing the mitigation of Dieback on priority reserves, Denmark (A16132)	\$10,000
Southern Biosecurity Group	Ravensthorpe regional wild dog control (A16128)	\$14,800
Southern Biosecurity Group	Opuntia control on the Oldfield River (A16070)	\$18,700
Torbay Catchment Group Incorporated	Improving soil carbon, microbial activity and moisture using bio fertilisers (A16106)	\$44,200
Wellstead Community Resource Centre	Wellstead's ongoing Sydney Golden Wattle eradication (A16010)	\$30,300
Wellstead Progress Association	Monitoring Wellstead's changing water table levels using district bores and piesometers (A16098)	\$15,760
Wilson Inlet Catchment Committee	Wilson Inlet Sydney Golden Wattle project: stage one (A16086)	\$21,205

South west region - supported by Royalties for Regions

Recipient	Title	Grant
Blackwood Basin Group	Fencing the Blackwood: small steps to a restored river (A16001)	\$43,350
Blackwood Basin Group	Caring for Cranbrook (A16146)	\$40,000
Cape to Cape Catchments Group	'Our Patch' environmental education – adopt a spot program (A16059)	\$30,660
Cape to Cape Catchments Group	Coordinated implementation of priority weed action across the Capes region (A16060)	\$48,490
City of Bunbury	Collaborative control of introduced wattles in Bunbury (A16118)	\$22,200
City of Busselton	Non-invasive mapping of potentially contaminated groundwater near Ramsar Wetlands (A16080)	\$12,800
Geographe Catchment Council	Wonnerup Western Ringtail Possum habitat enhancement project (A16031)	\$25,000
Geographe Catchment Council	Protecting Busselton-Dunsborough populations of the threatened Western Ringtail Possum (A16105)	\$15,200
Katanning Landcare	Katanning on-ground 2017 (A16100)	\$30,000
Katanning Landcare	Bridal Creeper's back 2017 (A16107)	\$55,000
Lake Muir Denbarker Community Feral Pig Eradication Group	Feral pig control – Lake Muir, Denbarker and Northcliffe (A16067)	\$49,400
Margret River Busselton Tourism Association	MRBTA attractions precinct weed management program (A16135)	\$7,000
Shire of Dumbleyung	Fence to protect 67ha pristine remnant vegetation at South Kukerin (A16084)	\$15,000
Shire of Kojonup	Whole farm approach to better biodiversity and farming outcomes (A16046)	\$53,910
The Blackwood Basin Group	Tackling headwater salinity at Kulikup (A16030)	\$48,000
WWF – Australia	Saving Endangered Numbats from extinction in the Warren Region (A16002)	\$51,970

Successful Community Capability Large projects - June 2016

Northern agricultural region - supported by Royalties for Regions

Recipient	Title	Grant
Moore Catchment Council	Improving natural resource management capability in the Moore River Catchment (CCGL15456)	\$210,000
Northern Agricultural Catchments Council	A helping hand to maintain your block and the environment (CCGL15479)	\$67,000
	Engaging education for NRM (CCGL15435)	\$53,000
	Feral Fix: feral animal education and control (CCGL15413)	\$60,000
	Hands on experience to get hands on in NRM (CCGL15420)	\$113,800
	NARvis (Northern Agricultural Regional Vision) – supporting effective NRM (CCGL15414)	\$53,000
	NRM services for social responsibility (CCGL15419)	\$76,336
	Photo-monitoring in your patch: developing Photomon services (CCGL15440)	\$28,000
Yarra Yarra Catchment Management Group Inc	Helping volunteers help their environment in the North-Eastern Wheatbelt (CCGL15428)	\$60,000

Avon (Wheatbelt) region - supported by Royalties for Regions

Recipient	Title	Grant
Shire of Northam	Building community capacity to participate in Natural Resource Management (CCGL15429)	\$50,000
Wheatbelt Natural Resource Management Inc.	Building digital capacity for community landcare (CCGL15431)	\$58,000

Peel-Harvey region - supported by Royalties for Regions

Recipient	Title	Grant
Harvey River Restoration Taskforce	Saving the Marron in the Harvey River (CCGL15488)	\$100,000
Landcare Serpentine Jarrahdale Inc.	Measuring NRM successes in Serpentine-Jarrahdale (CCGL15461)	\$60,000
Peel-Harvey Catchment Council	Building community NRM capacity in Hotham Williams (CCGL15489)	\$100,000
	Supporting people for wetland wise use in the Peel-Harvey (CCGL15427)	\$110,000
	Waroona NRM and fire recovery support (CCGL15401)	\$120,000

Swan region

Recipient	Title	Grant
South East Regional Centre for Urban Landcare (Inc)	Volunteer coordination and promotion for three not-for-profit landcare organisations (CCGL15416)	\$67,000
Yelakitj Moort Nyungar Association	Yelakitj Moort - connecting to landcare through culture (CCGL15487)	\$67,000

South coast region - supported by Royalties for Regions

Recipient	Title	Grant
Denmark Weed Action Group Inc	Protecting and connecting biodiversity to community (CCGL15443)	\$50,000
Fitzgerald Biosphere Group Inc.	Fitzgerald Biosphere Group's One Paddock Challenge (CCGL15448)	\$210,000
Friends of the Western Ground Parrot	Secrets at Sunrise (CCGL15467)	\$149,000
Green Skills Inc.	Lower Great Southern Regional coordination of weedy wattle control (CCGL15424)	\$134,000
Oyster Harbour Catchment Group Inc.	Improving capacity and engagement in the Oyster Harbour Catchment (CCGL15474)	\$130,000

South coast region continued...

Recipient	Title	Grant
Ravensthorpe Agricultural Initiative Network Inc	Moving Forward Looking Back - celebrating and promoting NRM in Ravensthorpe (CCGL15509)	\$100,000
South Coast Natural Resource Management Inc.	Increasing capability and resilience of the south coast NRM community (CCGL15494)	\$180,000
	NRM volunteer management – achieving on ground outcomes in Esperance (CCGL15498)	\$110,000
	Restoring Connections: engaging, involving and creating opportunities for Aboriginal people (CCGL15500)	\$170,000
Torbay Catchment Group Inc.	Building the organisational capability of the Torbay Catchment Group (CCGL472)	\$10,000
	Torbay: 10 year progress review, future planning and stakeholder re-engagement (CCGL15438)	\$22,000
Wilson Inlet Catchment Committee	Coordinating the Lindesay Conservation Action Plan (CCGL15460)	\$100,000

Rangelands region - supported by Royalties for Regions

Recipient	Title	Grant
Australian Wildlife Conservancy	Literacy and numeracy training for indigenous rangers - AWC's Gowija Guardians (CCGL15481)	\$46,000
De Grey Land Conservation District Committee	Growing the Pilbara through coordination and partnerships (CCGL15476)	\$120,000
Desert Support Services (a subsidiary of Central Desert Native Title Services)	Indigenous Desert Alliance - indigenous NRM capacity building project (CCGL15418)	\$240,000
Environs Kimberley Inc	Kimberley nature projects - facilitating effective and coordinated community conservation (CCGL15471)	\$300,000
Greening Australia (WA) Ltd	Developing Indigenous ranger teams as part of Pilbara Landscapes Restoration (CCGL15507)	\$230,000
Madjulla Inc	Environmental scoping study Fitzroy River Nyikina Mangala Native Title Area (CCGL15512)	\$45,000
Rangelands NRM WA	Landscape scale change in WA rangelands through community capability building (CCGL1515)	\$325,000
Roebuck Bay Working Group Inc	Improved understanding and management of Ramsar values through innovative initiatives (CCGL15411)	\$100,000

Rangelands region continued...

Recipient	Title	Grant
Walalakoo Aboriginal Corporation RNTBC	Building Walalakoo's cultural and Natural Resource Management capacity (CCGL15510)	\$32,000
Yaburara And Coastal Mardudhunera Aboriginal Corporation	Marduthuni Rangers: Lower Fortescue River and Estuary land management program (CCGL15455)	\$200,000

South west region - supported by Royalties for Regions

Recipient	Title	Grant
Blackwood Basin Group	A better Blackwood: strategic improvements across the catchment (CCGL15406)	\$130,000
Blackwood Environment Society	A virtual innovation hub to improve community NRM (CCGL15496)	\$95,000
Cape to Cape Catchments Group	Enhancing NRM outcomes in the Margaret River region (CCGL15459)	\$200,000
Dunsborough Coast and Landcare Inc.	Increasing community capacity building and on-ground actions in Dunsborough's surrounds (CCGL15492)	\$45,000
Geographe Catchment Council (GeoCatch)	Supporting the Geographe community to improve our natural assets (CCGL15436)	\$130,000
Katanning Land Conservation District Committee	Improving Katanning Landcare's Resourcing Independence and Community Support Capability (CCGL15405)	\$199,414
Lower Blackwood Catchment Land Conservation District Committee	Unlocking knowledge and Raising Community Connectivity and Capability in NRM (CCGL15478)	\$115,000
South West Catchments Council	Opportunities for integration of NRM and ecotourism in the South West (CCGL15470)	\$25,000
Wagin Woodanilling Landcare Zone	Stronger Landscapes for the Future in Wagin & Woodanilling (CCGL15412)	\$120,000
Warren Catchments Council Inc.	Tactical response: more hands make community NRM work (CCGL15501)	\$310,000

Multi-regions - supported by Royalties for Regions

Recipient	Title	Grant
Birdlife Australia	A bright future for native birds - building collective capability (CCGL15481)	\$424,000
Conservation Council WA	Building capability in monitoring the outcomes of NRM interventions (CCGL15506)	\$120,000
Conservation Volunteers Australia	In Safe Hands toolkit (CCGL15520)	\$42,300
Cultural Corridors Inc.	Enhancing NRM capacity for cultural corridors Inc. (CCGL15457)	\$131,500
Dieback Working Group Inc.	Building a self-sustainable Dieback Working Group (CCGL15444)	\$95,000
Eastern Metropolitan Regional Council	Creating a capable community in NRM (CCGL15408)	\$239,000
Ellen Brockman Integrated Catchment Group Inc	Ecosystem protection and restoration in the Ellen Brockman Region (CCGL15410)	\$222,250
Gondwana Link Ltd	Gondwana Link: achieving exponential change (CCGL15449)	\$230,000
Green Skills Inc.	Gondwana Wetland Conservation Capability Development Project (CCGL15490)	\$107,000
National Malleefowl Recovery Group Inc	Malleefowl monitoring for all of WA (CCGL15495)	\$66,000
Shire of Kent	NRM/Landcare for Kent, Lake Grace, Kulin and Kondinin Shires (CCGL15464)	\$200,000
South Coast Natural Resource Management Inc	Increasing community capability to strategically manage Phytophthora Dieback in WA (CCGL15422)	\$300,000
South West Catchments Council	Enhancing the capability of NRM organisations with Geographic Reporting and Information Database (GRID) (CCGL15470)	\$174,000
Tangaroa Blue Foundation Ltd	Capacity building that reduces marine debris in Western Australia (CGL15450)	\$200,000
West Kimberley Land Conservation District Committee	West Kimberley Landcare – a kickstart and a secure future (CCGL15508)	\$140,000

Multi-regions - supported by Royalties for Regions

Recipient	Title	Grant
Wheatbelt NRM	Red Card increasing community capacity to participate in biosecurity (CCGL15426)	\$200,000
WWF – Australia	Rare Flora Search and Rescue – partnering with community volunteers (CCGL15417)	\$183,000

Successful Community Capability Small projects – June 2016

Northern agricultural region - supported by Royalties for Regions

Recipient	Title	Grant
Northampton Environmental Group	Native Species Community Workshops (CCGs15728)	\$2,250

Peel-Harvey region - supported by Royalties for Regions

Recipient	Title	Grant
Landcare Serpentine Jarrahdale Inc.	Mid Swan Coastal Plain Native Species for Landcare Projects (CCGs15733)	\$6,197

Swan region

Recipient	Title	Grant
Armadale Gosnells Landcare Group	Digitising archives to improve knowledge sharing and efficiency (CCGs15712)	\$6,600
City of Armadale & Bushcare and Environment Working Group	Knowledge for very keen environmental groups (CCGs15743)	\$4,050
Friends of Brixton Street Wetlands	25 Years in Urban Community Based NRM: Glimpses and Insights (CCGs15702)	\$9,850

Rangelands region - supported by Royalties for Regions

Recipient	Title	Grant
Upper Gascoyne Land Conservation District Committee	Sieve structures for landscape rehydration booklet (CCGs15727)	\$6,000
Upper Gascoyne Land Conservation District Committee	Upper Gascoyne Natural Resource Management Information Exchange (CCGs15756)	\$5,500

South coast region - supported by Royalties for Regions

Recipient	Title	Grant
Green Skills Inc	Building NRM Capability of Small Property Owners in Denmark (CCGs15732)	\$8,219
Green Skills Inc	Balijup Fauna Conservation Community Capability Project (CCGs15747)	\$6,992
North Stirlings Pallinup Natural Resources	Increasing farmer NRM capacity by providing key weed information and management (CCGs15709)	\$9,950

South west region - supported by Royalties for Regions

Recipient	Title	Grant
Busselton Naturalists Club	Development of a Club website (CCGs15710)	\$2,200

Multi-regions - supported by Royalties for Regions

Recipient	Title	Grant
Conservation Council of WA	Eco-May - enjoying nature, raising awareness and community impact (CCGs15729)	\$7,156
Goldfields Land and Sea Council Aboriginal Corporation	Road and Railway Safety Qualifications for Aboriginal Rangers (CCGs15725)	\$9,950
Goldfields Land and Sea Council Aboriginal Corporation	Weed Management Licensing for Aboriginal Rangers (CCGs15715)	\$9,586
Green Skills Inc	Making the Online Connection (CCGs15742)	\$5,500

Successful Community Action projects - December 2015

Northern agricultural region - supported by Royalties for Regions

Recipient	Title	Grant
City of Greater Geraldton	Caring for Bimarras Pools, Greenough River - Stage 1 (A15115)	\$21 500
	Greenough River Estuary Nature Walk Trail - Stage 1 (A15119)	\$44 500
	Chapman River Regional Park CARE Project - Stage 3 (A15120)	\$53 000
	Implementation of the Chapman River Estuary Management Plan (A15121)	\$22 500
Conservation Council of Western Australia	Benchmarking the accumulation of microplastics off south-western Australia (A15011)	\$32 458
Mingenew Irwin Group	A collaborative approach to successful pest management in the Northern Agricultural Region (A15028)	\$25 980
Moore Catchment Council	Conserving and enhancing the Moore's natural biodiversity assets (A15066)	\$34 500
	Enhancing Mogumber Town Reserve as a local natural asset (A15006)	\$34 815
	Planting food for endangered Carnaby's Black-Cockatoo in the Gillingarra important bird area (A15053)	\$52 000
Shire of Chapman Valley	Protecting biodiversity along Chapman Valley's coastal zone (A15049)	\$40 000
Yarra Yarra Catchment Management Group Incorporated	Creating corridors and protecting fence line flora - Stage 1 (A15002)	\$55 000
	Protecting and Restoring Boojerabba Flats (A15126)	\$51 300

Avon (Wheatbelt) region - supported by Royalties for Regions

Recipient	Title	Grant
Applecross Senior High School	City Kids to the Country (A15068)	\$35 000
Chittering Valley Land Conservation District Committee	Feral pig management in the Chittering Valley (A15168)	\$52 000
Landcare SJ	Eradication of prohibited organism water hyacinth in the Serpentine River (A15167)	\$16 812
Shire of Kent	Revegetating biodiversity corridors and mitigating bushland livestock and Bridal Creeper (A15172)	\$50 000
Shire of Kondinin	Restoration and rehabilitation of the Breakaways (A15084)	\$24 310
Shire of Koorda	Connecting, protecting and expanding native vegetation in Koorda, Wyalkatchem, Mukinbudin (A15057)	\$55 000
WWF-Australia	Caroline Gap Reserve Resource Management Strategy – protecting the granite outcrops (A15234)	\$42 500

Peel-Harvey region - supported by Royalties for Regions

Recipient	Title	Grant
Fairbridge Western Australia Inc.	Fairbridge Central Bushland Protection - Stage 1 (A15085)	\$23 000
Friends of Lake McLarty	A lifeline to help save Lake McLarty (A15082)	\$18 000
Friends of the Reserves Boddington (Inc.)	Regeneration of Camballing Reserve (A15131)	\$17 185
Harvey River Restoration Taskforce Incorporated	Improving the ecological linkage value of the Harvey River system (A15151)	\$36 956
Lake Clifton-Herron Landcare Group	3R's for Lake Clifton - Restore, Re-habilitate, Re-vegetate (A15112)	\$38 379
Landcare SJ	Encouraging Sustainable Land Management through education in the Peel Region (A15108)	\$31 000
Quindanning Community Hall Incorporated	Post fire revegetation at the Quindanning Hall (A15111)	\$15 000
Seascapes Coastcare Group	Educating local community in coastal ecosystems and Indigenous plant use (A15020)	\$22 200
Wandering / Hotham Declared Species Group	Feral pig eradication along the Bannister River (A15022)	\$45 000

Swan region

Recipient	Title	Grant
Armadale Gosnells Landcare Group	Project Palomino -restoring the Wungong River (A15015)	\$26 500
Australian Wildlife Conservancy	Restoring ecological health to Paruna Wildlife Sanctuary (a15207)	\$15 000
Bannister Creek Catchment Group	Bannister Creek Urban Waterways Renewal: maintenance project (A15196)	\$18 000
BirdLife Western Australia	Operation Rainbow Roost: identifying Rainbow Lorikeet roosts in Perth (A15183)	\$21 000
Bungendore Park Management Committee	Dieback and weed management for Bungendore Park and adjacent land (A15101)	\$18 914
	Invertebrate survey of Bungendore Park (A15103)	\$7 000
	Walk trail signage upgrade (A15145)	\$11 400
Canning River Regional Park Volunteers	Billabong paddock restoration (A15083)	\$9 000
Chittering Landcare Group	Brockman Catchment - Restoring the riparian zones (A15106)	\$9 000
	Investigating and improving the health of Chittering Lakes (A15235)	\$30 880
Chittering Valley Land Conservation District Committee	Creating a biodiversity link in Chittering Springs (A15023)	\$6 000
City of Armadale	Control of threatening processes and habitat supplementation in priority reserves (A15043)	\$32 500
City of Cockburn	Restoration of wetland habitat at Bibra Lake (A15174)	\$10 000
City of Fremantle	Hollis Link landscape connectivity restoration (A15171)	\$6 000
City of Joondalup	Pathogen Management and Hygiene Awareness Program (A15125)	\$14 850
City of Kwinana	Fauna survey and feral animal control for priority Kwinana Reserves (A15073)	\$30 000

Swan region continued...

Recipient	Title	Grant
City of Melville	Black Flag control at Blackwall Reach Reserve (A15177)	\$12 995
Eastern Metropolitan Regional Council	Steaming to Success (A15204)	\$10 000
Friends of John Forrest National Park	Control of geophyte, woody and herbaceous weeds in John Forrest National Park (A15079)	\$18 500
Friends of Lake Claremont Limited	Revegetation of wetland buffer on the eastern side of Lake Claremont (A15063)	\$25 000
Friends of Mary Carroll Wetlands	Revegetation of riparian habitat at Mary Carroll Lake (A15017)	\$15 500
Friends of North Ocean Reef - Iluka Foreshore	Cape Tulip control and eradication in Bush Forever Site 325 (A15209)	\$11 860
Friends of Paganoni Swamp	Weed control and restoration of Upper Swamp, Paganoni Swamp Reserve (A15094)	\$17 480
Friends of Talbot Road Reserve Inc.	Protection of high biodiversity values at Talbot Road Nature Reserve (A15179)	\$14 118
Friends of Upper Lesmurdie Falls Inc.	Upper Lesmurdie Falls Restoration Project (A15001)	\$40 000
Friends of Wireless Hill	Restoration through weed control at Wireless Hill Reserve (A15197)	\$19 720
Friends of Yellagonga Regional Park (Inc.)	Continuing rehabilitation of wetland fringing vegetation at Lake Goollelal (A15146)	\$12 100
Mullaloo Beach Community Group Inc.	2016 Mullaloo Little Desert Regeneration (A15080)	\$22 220
Murdoch Environmental Restoration Group	Habitat restoration and protection for endangered Black Cockatoos (A15186)	\$50 000
Nature & Wildlife Group at Glen Forrest Primary School	Woodland Restoration Project: protect, connect and play (A15089)	\$20 556
Sawyers Valley Primary School	The Bulla Bidli project, Sawyers Valley (A15077)	\$22 500
South East Regional Centre for Urban Landcare (SERCUL)	Restoration of Bull Creek Reserve (A15137)	\$25 000

Swan region continued...

Recipient	Title	Grant
South East Regional Centre for Urban Landcare (SERCUL)	Beckenham Open Space Wetland Linkages Restoration (A15138)	\$25 000
	Degraded saltmarsh rehabilitation in Canning River Regional Park tidal flats (A15140)	\$14 600
	Protection and enhancement of the biodiversity of Booragoon Lake Reserve (A15142)	\$26 250
	Blue Gum Lake habitat and biodiversity enhancement (A15169)	\$18 000
	Restoration of the Yule Brook foreshore (A15185)	\$20 000
	Canning River foreshore restoration (A15175)	\$32 000
South West Corridor Development Foundation Inc.	Improving NRM outcomes through increased community awareness and engagement (A15139)	\$12 000
Swan Estuary Reserves Action Group Inc.	Weed management in Bush Forever Site 331 (A15149)	\$22 000
Wilson Wetlands Action Group Inc.	Castledare Native Flora and Habitat Restoration Project - Stage 2 (A15004)	\$30 000

Rangelands region - supported by Royalties for Regions

Recipient	Title	Grant
Australian Wildlife Conservancy	Feral herbivore exclusion from the Synnot Valley, Kimberley (A15050)	\$55 000
	Securing the survival of the Stick-nest Rat in Western Australia (A15184)	\$53 100
Cape Conservation Group Inc.	Exmouth feral cat and fox community education and control program (A15116)	\$5 000
Care For Hedland Environmental Association	Coastal erosion and renourishment of dune systems safeguarding Turtle Rookery (A15128)	\$15 000
Carnarvon Heritage Group Inc.	Marine species protection at the Carnarvon One Mile Jetty (A15074)	\$19 450
Carnarvon Land Conservation District Committee	Extending weeds of national significance control in the Lower Gascoyne Catchment (A15188)	\$30 000
Central Desert Native Title Services	Kiwirrkurra Cat Control Strike-Force trial (A15055)	\$50 180
Environs Kimberley	Sharing knowledge to tackle Kimberley weed priorities - Neem and <i>Azadirchata indica</i> (A15201)	\$38 000
	The Kimberley Bilby Project (A15238)	\$55 000
Jarlmadangah Burru Aboriginal Corporation	Revegetation of Fitzroy River floodplain of Mt Anderson - Stage 1 (A15150)	\$36 300
Karajarri Traditional Lands Association	Karajarri Indigenous Protected Area: Frasier Downs Station Coastal Protection Zone (A15091)	\$32 000
Kimberley Land Council- Gooniyandi Rangers	Gooniyandi Culturally & Environmentally Significant Waterways Monitoring and Management Program (A15230)	\$9 517
Nyamba Buru Yawuru	Partnerships to protect and restore Roebuck Plains' significant wetlands (A15010)	\$44 820
Ord Land and Water	Rubber Vine control and eradication in the East Kimberley (A15005)	\$55 000
Rangelands Fibre and Produce Association (Inc.)	Innovative control of a significant infestation of strategically important weeds of national significance (A15242)	\$30 000
Reef Life Survey Foundation	Volunteer scientific monitoring of Western Australian marine biodiversity (A15213)	\$15 600

Rangelands region continued...

Recipient	Title	Grant
Upper Gascoyne Land Conservation District Committee	Conserving and building rangeland biodiversity through targeted landscape interventions (A15163)	\$17 000
West Kimberley Rubber Vine Steering Committee	Aquila 2nd Generation - Using artificial intelligence to detecting rubber vine (A15206)	\$38 375
	Rubber Vine eradication along the Fitzroy River through Ground Control (A15099)	\$55 000
	Rubber Vine eradication along the Fitzroy River through Aerial Control (A15100)	\$55 000
Yindjibarndi Aboriginal Corporation	Environmental and cultural assets protection by indigenous rangers (A15003)	\$37 000

South coast region - supported by Royalties for Regions

Recipient	Title	Grant
BirdLife Australia	Realizing the potential of successful starling surveillance and control (A15193)	\$19 000
BirdLife Western Australia	Increasing the breeding capacity for threatened Carnaby's Black-Cockatoo (A15195)	\$40 000

Wandering Primary P&C	Wandering Primary School: Reaching out to Carnabys, culture and community (14216)	\$10 000
Warren Catchments Council	Ongoing control of isolated populations of highly invasive environmental weeds. (14166)	\$15 000

Wheatbelt region

Recipient	Title	Grant
HotRock	Seed2Tree 2015 (14121)	\$13 000
Shire of Westonia	Not so common: Protecting the biodiversity values of Westonia Common (14145)	\$29 000
Wadderin Wildlife Sanctuary Inc.	Reintroduction of fauna to Wadderin Sanctuary: consolidating the gains (14056)	\$27 990
WWF –Australia	Re-fencing Mount Caroline for threatened rock wallaby habitat protection (14069)	\$21 443
Yaraguia Enterprises Incorporated (Yei)	"Marlak Niran" - returning country to bushland" (14117)	\$30 000

Successful projects - November 2013

Northern agricultural region

Recipient	Project title	Grant
City of Greater Geraldton	Chapman River wildlife corridor community awareness and regeneration experience project	\$49 875
Moora Catchment Council	Conservation of Candy's Bush Reserve through traditional and ecological knowledge sharing	\$32 450
	Planting feed species for the endangered Carnaby's black-cockatoo in the northern Swan Coastal Plain Important Bird Area	\$45 000
	Reconnecting fragmented Malleefowl (<i>Leipoa Ocellata</i>) habitat near Maya, WA	\$36 325
Shire of Chapman Valley	Revegetation the Moresby Stage four	\$50 000
	Protecting waterways and remnant vegetation in the Chapman River catchment area	\$50 000
	Invasive species plan implementation in the western third of Chapman Valley	\$47 000
West Koojan - Gillingarra LCDC	Saltland stabilisation using NyPa (salt loving forage grass) to control erosion and improve soil drainage	\$27 000
West Midlands Group	Protecting on-farm remnant vegetation to enhance wildlife habitat, in the West Midlands area- stage two	\$50 000
	Pest control to protect our sensitive vegetation in the West Midlands	\$33 165

Perth region

Recipient	Project title	Grant
Active Greening	The greening project - pilot project	\$20 000
Ardross Primary School Parents & Citizens Association	Protecting bats in Melville through providing habitats and education	\$9 000
Armadale Gosnells Landcare Group	Palomino seasonal damp land stage two	\$12 000
Bannister Creek Catchment Group	Nicholson Road bushland restoration and weed management (Bushforever site 456)	\$25 000
Bungendore Park Management Committee	Dieback treatment and weed control Bungendore Park and adjacent land	\$18 000
Canning River Regional Park Volunteers	Urban weed control revision	\$13 250
City of Armadale	Cilantro parkway conservation wetland	\$20 000
City of Belmont	Improving connectivity of a regional ecological linkage, Ascot/Rivervale foreshore	\$13 347
City of Canning	Ranford bushland environmental study and rehabilitation, Canning Vale	\$28 000
City of Kwinana	Revegetation and erosion control in the Tuart woodland of Thomas oval bushland, Kwinana	\$13 367
City of South Perth	Expanding the Collier Park golf course sanctuary	\$24 000
Dawson Park Primary School	Dawson Park Primary School threatened ecological species conservation project	\$10 000
Ellen Brockman Integrated Catchment Group	Management of two invasive species (pigs and foxes) in the Ellen Brockman region	\$46 900
Friends of Bugle Tree Gully Reserve	Bugle Tree Gully restoration and community engagement	\$12 000
Friends of Gidge Reserve	Gidge Reserve (2145) and FR Berry Reserve management plans project 2013-14	\$15 000
Friends of John Forrest National Park	Control of geophyte, woody and herbaceous weeds in the catchment area of Priest Creek	\$23 150
Friends of Lake Claremont	Extension of revegetation to the northern section of Lake Claremont to restore indigenous woodland	\$28 000
Friends of Mary Carroll Lake	Revegetation of the islands at Mary Carroll Lake stage two	\$11 000

Perth region continued...

Recipient	Project title	Grant
Friends of Piesse Brook	Watsonia control at the Piesse Brook Gorge area	\$17 000
Friends of Pioneer Park	Sawyers Road to Lion Street heritage trail project	\$13 200
Friends of Queens Park Bushland	Environmental weed management and revegetation in Queens Park regional open space	\$35 000
Friends of Talbot Road Nature Reserve	Friends of Talbot Road Nature Reserve weed management	\$11 000
Friends of Upper Lesmurdie Falls	Rehabilitation of the upper Lesmurdie Falls	\$40 000
Friends of Wireless Hill	Enhancing biodiversity in urban bushland at Wireless Hill	\$34 000
Glen Forrest Primary School	Rehabilitation and protection of Jarrah forest at Glen Forrest Primary School	\$17 688
Helena College Junior School	The Waabiny project	\$20 000
JMH Action Group	To revegetate an area of unused land on Como Secondary College for biodiversity conservation purposes	\$30 000
Mt Henry Peninsula Conservation Group	Control weeds, feral animals and dieback fungal disease for conservation of flora and fauna biodiversity	\$14 845
Mullaloo Beach Community Group	Mullaloo dune revegetation project year three	\$10 000
Murdoch Environmental Restoration Group	Restoration and habitat protection for endangered flora and fauna	\$46 000
Nature Reserves Preservation Group	Crumpet Creek project, Mundy Regional Park and Rocky Pool creek line, Kalamunda National Park	\$10 000
North Swan LCDC	Bushland protection and restoration in Bullsbrook	\$10 757
Nursery & Garden Industry of WA	Building capacity to respond to biosecurity issues identified- Perth metro phase one	\$36 450

Perth region continued...

Recipient	Project title	Grant
South East Regional Centre of Urban Landcare	Restoring the Bickley Brook upstream of the Bickley Reservoir	\$17 050
	Blackberry removal and the restoration of Bull Creek Reserve	\$36 000
	Protection and enhancement of the biodiversity of Booragoon Lake Reserve	\$28 000
	Construction of bird hide and interpretive signage for the Beckenham Open Space	\$16 570
	Canning River foreshore restoration	\$50 000
	Post-fire restoration in the Canning River Regional Park	\$50 000
Swan Estuary Reserves Action Group	Conservation and restoration of remnant vegetation sites in Bush Forever Site 331	\$26 600
Wilson Wetland Action Group	Fern Road East revegetation	\$20 000
	Mills Street Stream- weed management in revegetated area	\$10 500
	Castledare revegetation and Wilson living stream	\$20 000
	Kent Street conservation loop	\$20 000
Woodvale Water Land Owners Association	Yellagonga Regional Park Woodvale revegetation enhancement project (Stage two)	\$25 000

Rangelands region

Recipient	Project title	Grant
Carnarvon Rangelands Biosecurity Association	Control of significant outlier infestations of strategically important WoNS weeds	\$47 000
	Carnarvon WoNS control partnership 2014	\$50 000
	Cactus control Marrilla (project one); cactus control Mardathuna (project two)	\$20 000
Central Desert Native Title Services	Protecting the biodiversity values of Windich Springs and its catchment through collaborative land management on the Canning Stock Route	\$45 400
ECOCEAN	Reviewing the impact of tourism on the whale shark population off the Ningaloo coast	\$30 000
Goldfields Land and Sea Council	Weed management in the Great Western Woodlands	\$25 000
Goldfields Nullarbor Rangelands Biosecurity Association	Mertondale / Menzies invasive cactus roundup	\$40 000
Nicholson Range Management Committee	Protecting the ecologically significant Nicholson Range in the Murchison from total grazing pressure	\$50 000
Pilbara Mesquite Management Committee	Tackling invasive WoNS in the Ashburton catchment	\$50 000
	Tackling weeds on the Yannarie River	\$48 250
Rangelands Fibre and Produce Association	Control of significant outlier infestations of strategically important WONS weeds	\$40 000
Southern Gascoyne Group	Improving condition and reducing rainfall run off from stations surrounding the Shark Bay World Heritage Area	\$45 500
Track Care WA	Bringing life back to Katjarra	\$50 000
Upper Gascoyne LCDC	Upper Gascoyne erosion and sediment control demonstration	\$37 500

South coast region

Recipient	Project title	Grant
Albany Community Environment Centre	Yakamia Creek Community weed control and revegetation project	\$10 020
Banjelungup Aboriginal Corporation	Biodiversity planting to protect and connect Bitter Water Creeks/wetlands in the Fitzgerald	\$22 000
Denmark Weed Action Group	Protection of biodiversity in public reserves in the Shire of Denmark by on-ground action and community education	\$15 000
Flinders Park Primary School	Bush tucker trail	\$13 900
Friends of the Porongurup Range	Declared and environmental weed control in the national heritage listed Porongurup National Park	\$50 000
Gondwana Link Ltd	Completing the circle of adaptive management across Gondwana Link	\$30 000
Green Skills	Senecio glastifloius eradication	\$38 000
	Forests to Stirling Gondwana Link: from plans to action	\$30 000
King River Weed Control and River Restoration Group	King River and Willyung Creek weed control and riparian restoration project	\$28 000
Moolyall Woodenup Catchment Group	Protection and extension of bushland corridors in the Moolyall Woodenup Catchment	\$50 000
North Stirlings Pallinup Natural Resources	Protecting and linking on farm corridors to existing remnant vegetation in north east Ongerup	\$25 000
Wellstead Community Resource Centre	Strategic control and community education of Sydney golden wattle control in Wellstead	\$50 000
Wilson Inlet Catchment Committee	Eastern States Wattle control in Denbarker phase two	\$13 000
	Implementing the management plan for Mondurup Reserve	\$12 000
	Restoring the Govie Dam Reserve	\$13 000
	Eastern States Wattle control in Redmond	\$18 000

South west region

Recipient	Project title	Grant
Blackwood Basin Group	On-ground Salinity Management Work for the Gnowangerup/Scott's Brook	\$25 000
Bush Heritage Australia	Kojonup Reserve Biodiversity Enhancement	\$10 000
Capel LCDC	Arum Lily eradication Capel Tuart forests at Ludlow and Mininup stage two	\$20 000
Darling Downs Residents Association	Clean up and revegetation of Darling Downs wetlands	\$11 140
Dumbleyung LCDC	Continuing to sustainably manage catchments surrounding Dumbleyung Lake	\$35 000
Freshwater Fish Group & Fish Health Unit, Murdoch Uni	Conserving the unique aestivating freshwater fishes in the wetlands of the south-coast of WA	\$41 350
Geographe Catchment Council	Reducing nutrients leaving priority urban and peri-urban areas of the Vasse-Wonnerup catchment	\$40 000
	Western ringtail possums in our schools and community	\$30 000
Geographe Primary School	Geographe Primary School - outdoor classroom	\$17 500
Jarrahdale Heritage Society	Gooralong Brook restoration, Jarrahdale	\$15 000
Katanning LCDC	Native vegetation for the Carrolup	\$17 000
	Attacking Badgebups salinity	\$33 000
	Environmental care on the eastern flats	\$22 000
	Supporting enthusiastic farmers, Katanning	\$5 000
	Bridal creeper and WoNS wars - spreading the word	\$37 000
Landcare SJ	Weed control for improving the health and resilience of threatened ecological communities in Serpentine Jarrahdale and north Murray	\$30 000

South west region continued...

Recipient	Project title	Grant
Margaret River Off Road Cycling Association	Mountain bike facility creation to reduce impact on threatened ecological communities	\$40 000
	Environmental assessment of trails in national park with surrounding threatened ecological communities	\$40 000
Ngalang Boodja Council Aboriginal Corporation	Restoration of native vegetation in public areas through partnerships and plant salvage	\$42 100
Origins Centre	Weed control, reclamation and revegetation of community native remnant bushland	\$9 000
Serpentine Jarrahdale LCDC	Feral animal control for increasing biodiversity on agricultural land in the coastal Peel-Harvey catchment	\$40 000
Shire of Serpentine Jarrahdale	Healthy habitats stage three	\$30 000
	Ephemeral wetland construction in Serpentine National Park	\$38 000
Southern DIRT	Community awareness and control of Bridal creeper in the Kojonup Shire	\$25 000
	Extending on landcare activities in the Kojonup Shire	\$24 000
Warren Catchments Council	Dung beetles address soil fertility and environmental health issues	\$26 482
Freshwater Fish Group; Fish Health Unit; Estuarine Research Group; Murdoch University	Movement and abundance of key fishes in the Vasse-Wonnerup estuary following a substantial fish kill	\$50 000

Wheatbelt region

Recipient	Project title	Grant
Avondale Farm Project Association	Avondale flora and fauna plan implementation stage two	\$14 000
Avongro Wheatbelt Tree Cropping	Revegetating saltland with selected Casuarina obesa & nitrogen fixing Frankia: freer nutrients, more pasture	\$25 000
Men of the Trees	Revegetation of the east Beverly region WA	\$30 000
Millennium Kids	A classroom without walls	\$20 000
Shire of Koorda	Feral pest eradication with use of 1080 and monitoring	\$24 450
Shire of Mt Marshall	Using biodiversity corridors to augment and connect existing remnant vegetation in Mt Marshall	\$25 000
Shire of Trayning	Protecting Trayning biodiversity	\$19 580
Shire of Westonia	Sandford rocks bird-hide	\$29 500
Shire of York	Invasive species control in Beverley, Brookton, York	\$11 000
Solomon Yulgan Catchment Group	Solomon Yulgan catchment Landcare revegetation project 2013-14	\$18 000

Successful projects - October 2012

Northern Agricultural region

Recipient	Project title	Grant
Centre for Marine Science and Technology	Developing a photo identification software for individual recognition of Australian Sea Lions through a community based approach	\$16 864
Chittering Valley LCDC	Revegetation of Long Bridge Gully tributary	\$20 599
Moore Catchment Council	Planting feed species for Carnaby's Black Cockatoo in the Moora and Koobabbie Important Bird Areas	\$45 000
Shire of Chapman Valley	Catchment management of the Chapman River and its tributaries	\$50 000
	Invasive species management and restoration works on the Moresby Ranges	\$50 000
	Weed mapping along the Chapman River	\$12 000
West Midlands Group	Restoring the Warradarge Creek to increase landscape connectivity in the West Midlands region.	\$49 830

Perth region

Recipient	Project title	Grant
Armadale Gosnells Landcare Group	Palomino seasonal damp zone	\$48 600
Australian Wildlife Conservancy	Ensuring the ongoing protection of endangered and threatening species at Karakamia Wildlife Sanctuary	\$48 485
	Protection of endangered species at Paruna Wildlife Sanctuary through feral animal control	\$23 033
Blackadder/Woodbridge Catchment Group Inc	North Swan Park species richness	\$21 500
Bungendore Park Management Committee	Weed control and dieback treatment, Bungendore Park and adjacent land.	\$18 000
Canning River Regional Park Volunteers	Extension of urban forest weed control	\$18 220
Cockburn Wetlands Education Centre	Revegetation and habitat rehabilitation within Bibra Lake	\$24 205
Eastern Metropolitan Regional Council	Helping the Helena - water quality monitoring of pollutants for linkages in fish and mussel decline	\$37 500
	Saving a keystone species and the integrity of the ecosystem	\$50 000
Friends of John Forrest National Park	War on Watsonia in John Forrest National Park - protecting the declared rare flora <i>Diplolaena andrewsii</i>	\$24 700
Friends of Lake Claremont	Lake Claremont revegetation extension	\$50 000
Friends of North Ocean Reef - Iluka Foreshore	Cape Tulip control and eradication in Bush Forever site 325	\$13 470
Friends of Paganoni Swamp	Control of significant weeds on Paganoni Rd's southern road reserve ecological corridor	\$17 000
Jane Brook Community Association	Jane Brook foreshore reserve rehabilitation	\$50 000
Jillara Giants	Rehabilitation of the upper Lesmurdie Falls	\$24 275

Perth region continued ...

Recipient	Project title	Grant
Mullaloo Beach Community Group	Mullaloo dune rehabilitation stage 2	\$10 000
Mundaring Primary School	Weed control, habitat protection and environmental education program Mardo Reserve and road verge around Mundaring Primary School	\$23 750
Murdoch Environmental Restoration Group	Biodiversity management of Beeliar Regional Park	\$48 000
South East Regional Centre of Urban Landcare	Canning River foreshore restoration	\$50 000
	Protecting, maintaining and restoring refuges for aquatic life within the Yule Brook waterway and Bickley reservoir	\$40 300
	Restoring the Bickley Brook foreshore upstream of the Bickley Reservoir	\$32 900
Shire of Kalamunda	Kalamunda Phytophthora dieback interpretation and invasive species control	\$14 873
Swan Estuary Reserves Action Group	Restoration of the ecological integrity of the Marine Park foreshore in Alfred Cove - stage 1	\$21 089
Town of Kwinana	Detailed Phytophthora dieback assessments and bushland condition mapping in the Town of Kwinana's natural areas	\$25 646
Western Australian Mountain Bike Association	Removal/realignment of cycle trails from Reservoir protection area and access trails to disease risk area	\$44 200
Woodvale Waters Land Owners Association	Yellagonga Regional Park Woodvale revegetation enhancement	\$10 000

Rangelands region

Recipient	Project title	Grant
Broome Bird Observatory	Building community involvement in protecting the internationally threatened shorebirds of Roebuck Bay	\$10 940
Carnarvon Rangelands Biosecurity Association	Control of mesquite and parkinsonia within the Carnarvon Rangelands Biosecurity Association	\$50 000
Freshwater Fish Group & Fish Health Unit, Murdoch University	Pilbara freshwater fish education project: a field guide and underwater documentary	\$35 000
Jarlmadangah Burra Aboriginal Corporation	Distribution and abundance survey of Aboriginal medicine tree <i>B acuteangula</i> along the Fitzroy River	\$50 000
Ord Land and Water	Control and containment of Bellyache Bush on Lake Kununurra	\$17 000
	Demonstrating erosion control on susceptible soils in the East Kimberley	\$18 000
	Mesquite control on Nicholson Station	\$20 000
Shire of Upper Gascoyne	Gascoyne Junction flood recovery	\$45 000
Track Care WA Inc	Protection and preservation of the natural assets in priority locations on the Canning Stock Route	\$50 000
Upper Gascoyne LCDC	Gascoyne River catchment conservation, restoration and rehabilitation	\$25 000
Useless Loop Community Biosphere Project Group	Conserving threatened wildlife at Heirisson Prong, Shark Bay	\$34 000

South coast region

Recipient	Project title	Grant
Albany Racing Club Inc	Protecting the biodiversity and integrity of the Torndirrup Nature Reserve from environmental weed threats	\$38 250
City of Albany	Biodiversity conservation through the stabilisation of 4WD tracks within the Lowlands coastal reserve	\$26 000
	Phase 2: Centennial Park wetland living stream restoration	\$29 000
Fitzgerald Biosphere Group	Celebrating 30 yrs of Landcare in the Fitzgerald Biosphere	\$33 000
Friends of Fitzgerald River National park	Restoration of the Twertup Field Studies Centre, Fitzgerald River National Park	\$40 000
Green Skills	Forests to Stirling Gondwana Link - from plans to action	\$30 000
	Sydney wattle eradication pilot on Torndirrup Peninsular	\$50 000
Ravensthorpe Agricultural Initiative Network	Advancing weed control and community involvement at Dunns Swamp	\$15 980
Shire of Denmark	Restoration of Poison Point and access restriction	\$18 000
Shire of Plantagenet	Mt Barker urban wetland restoration	\$40 000
Wellstead Community Resource Centre	Protecting the integrity of the Wellstead and Pallinup biodiversity from the threat of weed invasion.	\$43 210

South west region

Recipient	Project title	Grant
Baldivis Children's Forest Inc	Revegetation of tuart woodlands, feral bee control and learning through community engagement and action.	\$30 690
Blackwood Basin Group	Managing salinity in the Dinninup catchment	\$50 000
	Qualeup Lakes improvement	\$29 700
	Regenerating the Wattle Creek catchment	\$50 000
Cape to Cape Catchments Group	Development and implementation of the Calgardup Brook action plan	\$50 000
Dumbleyung LCDC	Sustainably managing the catchments surrounding the Dumbleyung Lake	\$45 000
Friends of Nangip Creek	Revegetation of Nangip catchment to reduce threats of salinity in Nangip Reserve	\$50 000
Geographe Catchment Council	Building community and industry capacity to achieve water quality outcomes	\$42 700
	Busselton urban wetland restoration	\$29 564
	Ecological restoration of Geographe streams	\$39 250
	Gynudup Brook and Tren Creek River Action Plan review and strategic fencing	\$34 000
	Riparian management on recovery streams in the Geographe Catchment	\$36 000
John Tonkin College Bushrangers Cadet Program	Construction and erection of bat/possum boxes to be used in the JTC LfW site	\$10 000
Katanning LCDC	Combined communities control of creepy WONS	\$45 000
Landcare SJ	Reducing the threats in the nationally significant Brickwood Reserve Byford	\$10 000
Ngalang Boodja Council Aboriginal Corporation	Conservation and restoration of flora and fauna at the Jack Mears Park spring, Collie	\$40 500
Serpentine Jarrahdale LCDC	Control of blackberry and arum lily, and site revegetation on the Serpentine River	\$15 400
Shire of Manjimup	Mottram St Reserve returning a significant stream and forest reserve towards their natural state - stage 3	\$49 200

South west region continued ...

Recipient	Project title	Grant
Shire of Serpentine Jarrahdale	"Healthy Habitats" – a national award-winning Stewardship Program for conservation of biodiversity on private property	\$49 600
Shire of Waroona	Preston Lake trail upgrade	\$20 000
Shire of West Arthur	Riparian protection and revegetation on Omaru and Carragaline properties in the Manywaters catchment	\$35 000
Southern Dirt	A Nobleman's Folly - revegetating and protecting Cockatoo Creek Catchment	\$15 000
Wagin Woodanilling Landcare Zone	SalinitySync - A sub-catchment approach to planning and implementing large scale saline land rehabilitation	\$10 000
Warren Catchments Council	Maximising environmental value of remnant native vegetation: a blueprint for landholders	\$50 000
Wellington Mills Community Association	Restoration of Ferguson River vegetation in the locality of Wellington Mills	\$26 942
West Arthur Declared Species Group	Understanding population influences and continuing to control feral pigs in the Shire of West Arthur	\$25 000

Wheatbelt region

Recipient	Project title	Grant
Hyden Progress Association	Survey for the endangered red-tailed phascogale in the eastern wheatbelt of WA	\$40 000
Lake Grace LCDC	Jam Patch protection	\$40 250
Meenar Mortlock Catchment Group	Friends of Mortlock and Mortlock South mid-catchment restoration - Duck Pool to Northam	\$25 000
Quellington Restoration Group	Friends of Mortlock and Mortlock South mid-catchment restoration - Duck Pool to Quailing Gully	\$25 000
Shire of Kellerberrin	Communities working together to control feral pests for environmental conservation	\$25 000
Shire of Kulin	Shire of Kulin revegetation and native bushland protection	\$23 000
Shire of Merredin	Revegetation of the Cohn Creek section and exhausted gravel reserves in Merredin	\$10 000
Shire of Quairading	Integrated NRM in the Quairading, Tammin and Cunderdin shires	\$50 000
Shire of Toodyay	Malkup Brook restoration	\$16 582
Shire of Westonia	Westonia vermin control stage 2	\$13 086
Wadderin Group	Community action to restore biodiversity to the central wheatbelt of WA	\$29 737

Successful projects - December 2011

Northern Agricultural region

Recipient	Project title	Grant
Shire of Moora	Revegetation of identified key conservation sites in Moora	\$17 646

Rangelands region

Recipient	Project title	Grant
Australian Wildlife Conservancy	Protecting threatened species on Faure Island Shark Bay	\$12 460
	Strategic and cooperative control of weeds on Mornington Wildlife Sanctuary	\$30 600
Lyndon LCDC	Controlling animal movements onto Lake McLeod	\$22 000
	Fencing fragile areas surrounding the Exmouth Gulf	\$42 300
Ngurawaana Group Aboriginal Corp	Managing biodiversity - Yindjibarndi way	\$22 500

Wheatbelt region

Recipient	Project title	Grant
Shire of Westonia	Vermin and weed control	\$10 513

Perth region

Recipient	Project title	Grant
Armadale Gosnells Landcare Group	Restoring Southern River, Gosnells Bush Forever site 246	\$14 400
Black Cockatoo Preservation Society of Australia Incorporated	Replacing 25 acres of Northern Jarrah Forest for Black Cockatoo food source and roosting habitats	\$40 000
Chittering Valley LCDC	Rehabilitation of Aquila and Carty Reserves	\$42 500
City of Armadale	Post fire rehabilitation of Lloyd Hughes Park	\$17 500
City of Vincent	Walters Brook restoration	\$45 000
Ellen Brockman Integrated Catchment Group	Mapping and treatment of dieback in the Ellen Brook sub-region	\$39 384
	Pearce Base-south - Ellen Brook revegetation stage 1	\$50 000
Friends of Booragoon and Blue Gum Lakes	Biodiversity protection and enhancement of Booragoon Lake Reserve	\$22 500
Friends of Lake Claremont	Extension of revegetation to the north west section of Lake Claremont to restore indigenous woodlands	\$50 000
Friends of Lightning Swamp Bushland	Weed control at Lightning Swamp to prevent the vegetation buffer from becoming a weed highway	\$10 140
Friends of Mary Carroll Lake	Revegetation of the Five Islands at Mary Carroll Lake, Bush Forever site 124	\$18 100
Good Shepherd Catholic Primary School	Watsonia and noxious weed eradication	\$14 000
Mullaloo Beach Community Group	Mullaloo Dune Revegetation Project	\$10 000
North Swan LCDC	Bullsbrook biodiversity corridor stage 5	\$22 840
South East Regional Centre of Urban Landcare	Regeneration and revegetation of the Canning River Foreshore	\$50 000

Perth region continued...

Recipient	Project title	Grant
Swan Estuary Reserves Action Group	Restoration of the ecological integrity of Pelican Point A Class Reserve Stage 2	\$15 713
Wilson Wetlands Action Group	Fern Rd East revegetation stage 2	\$22 700

South west region

Recipient	Project title	Grant
Blackwood Basin Group	Addressing salinity in the Dinninup catchment	\$50 000
Cape to Cape Catchment Group	Protection and rehabilitation action on four high priority Leeuwin Ridge streams	\$50 000
Greening Australia (WA)	Nell's Block community education	\$36 190
Harvey River Restoration Taskforce	Upper and Lower Harvey River demonstration project	\$25 572
Shire of Bridgetown Greenbushes	Wood for wildlife, conserving our bushland reserves	\$14 850
Shire of Busselton	Phytophthora dieback assessment and management in Ambergate Reserve	\$15 000
Shire of Donnybrook-Balingup	Watsonia control along Balingup Brook	\$10 000
Shire of Manjimup	Mottram Street Reserve: returning a significant stream and town forest reserve towards their natural state	\$39 600
Wagin Woodanilling Landcare Zone	The vital link – community corridor revegetation of the Great Southern Highway between Woodanilling and Wagin	\$13 050
Warren Catchments Council	Control of isolated populations of highly invasive environmental weeds in the Warren Catchments Council area	\$22 000

South coast region

Recipient	Project title	Grant
Albany Senior High School	Enhancing biodiversity and education by removing woody weeds	\$31 100
Denmark Weed Action Group	Protection of biodiversity in public reserves in the Shire of Denmark	\$10 000
Flinders Park Primary School	Involving schools to remove biological threats to our biodiversity while enhancing education	\$12 000
Friends of the Porongurup Range	Declared and environmental weed control in and around the National Heritage listed Porongurup NP	\$50 000
Green Skills	Denmark biodiversity revegetation and bush restoration eco-links	\$10 430
	Tenterden bushland vegetation and wetland conservation - Gondwana Eco-link	\$29 120
Lake Muir Denbarker Community Feral Pig Eradication Group	Feral Pig Control – Lake Muir Byenup Ramsar Wetlands, Walpole Wilderness Area and adjoining private property	\$25 000
Northern Mallee Declared Species Group	Wild dog management to protect the Esperance farming region	\$40 000
North Stirlings Pallinup Natural Resources	Linking bush reserves to enhance habitat for malleefowl and other threatened species in Monjebup catchment	\$43 100
Oyster Harbour Catchment Group	Controlling weedy acacia species in the Mt Barker Kendenup rail reserve	\$32 900
	Targeting riparian habitat in the King River - stage 1	\$49 640
Wilson Inlet Catchment Committee	Controlling Eastern States wattle infestations in Denbarker	\$50 000
	Dieback survey and hygiene plan implementation for the Mondurup Reserve	\$19 400
	Invasive weed control along the Hay River	\$10 000

Successful projects – May 2011

Northern agricultural region

Recipient	Project title	Grant
City of Geraldton-Greenough	Fowler's fencing – linking Moresby Ranges and Chapman River	\$19 500
	Chapman River Wildlife Corridor Regeneration stage 1	\$48 700
Malleefowl Preservation Group	Terra Grata malleefowl survey	\$10 000
Moore Catchment Council	Improving habitat and connectivity in the farming landscape for birds in the Moore River catchment	\$32 000
Shire of Chapman Valley	Moresby Ranges Plan Implementation phase 2 and engagement	\$50 000
	Upper Chapman River Catchment Action Plan Implementation	\$50 000
West Koojan Gillingarra LCDC	Ensuring the long term effectiveness of saltland reclamation adjacent to the Moore River, Gillingarra	\$50 000
West Midlands Group	Protecting on-farm remnants	\$44 552
	Sustaining our environment and agricultural assets through vermin control in the West Midlands	\$43 900

Perth region

Recipient	Project title	Grant
Bungendore Park Management Committee	Dieback treatment and weed control Bungendore Park and adjacent land (10005)	\$16 500
Canning River Regional Park Volunteers	Nicholson Rd billabong flood plain restoration (10013)	\$23 815
Centre for Fish and Fisheries Research, Murdoch University	Halting the infestation of the aggressive freshwater fish, the Pearl Cichlid in the Swan River catchment (10004)	\$45 588
City of Belmont	Garvey Park Foreshore Stabilisation Section 4 (10008)	\$32 786
Eastern Metropolitan Regional Council	Strengthening Our Streams - riparian restoration of priority areas of the Swan and Helena Rivers (10012)	\$47 415
Friends of Lake Claremont	Revegetation of the north west section of Lake Claremont to restore indigenous woodlands (10007)	\$45 000
Friends of Queens Park Bushland	Hand weeding and mapping environmental weeds in the Queens Park Regional Open Space Reserves	\$30 400
Murdoch University	Invasive weed eradication within the Beeliar Regional Park - Murdoch University (10002)	\$10 000
Shire of Mundaring	Watsonia roadside control within the Jane Brook catchment (10003)	\$17 000
South East Regional Centre for Urban Landcare	Nicholson Rd bushland restoration and weed management (Bush Forever site 456) (10014)	\$43 585
	Regeneration and revegetation on the Canning River foreshore (10011)	\$50 000
Swan Estuary Reserves Action Group	The restoration of the ecological integrity of Pelican Point A Class Reserve (10010)	\$32 785
Town of Kwinana	Revegetation and weed control on the limestone heath land of Chalk Hill, Kwinana (10006)	\$13 000
Wilson Wetlands Action Group	Fern Rd East - revegetation stage 1 (10009)	\$22 655

Rangelands region

Recipient	Project title	Grant
Ashburton Aboriginal Corporation	Pilbara aboriginal native seed collection and propagation (10027)	\$50 000
Australian Wildlife Conservancy	2011 bird survey of Faure Island wildlife sanctuary: shorebirds, pied cormorants and future translocations (10030)	\$25 820
Central Desert Native Title Services	A natural and cultural heritage management strategy for Ngururrpa Country (10032)	\$49 740
	A comprehensive assessment of the natural and cultural assets of the Carnarvon Ranges (10031)	\$50 000
Environs Kimberley	Roebuck Bay fine scale habitat modelling to determine key habitat for marine wildlife and prey (10029)	\$26 950
Greening Australia (WA)	Eighty Mile Beach Ramsar site fencing (10028)	\$50 000
Ord Land and Water	Protecting environmental and agricultural assets of the East Kimberley (10033)	\$50 000

South coast region

Recipient	Project title	Grant
Albany Heritage Reference Group Aboriginal Corporation	Fish traps (10049)	\$50 000
Bushcarers Group	Lake Seppings western shore rehabilitation (10043)	\$10 520
Esperance Regional Forum	Riparian vegetation protection and livestock exclusion fencing in the Stokes Inlet and Coomalbidgup catchments (10046)	\$36 000
Fitzgerald Biosphere Group	Increasing land management capacity and protection of rehabilitation and conservation values in the Western Fitzgerald Biosphere (10042)	\$50 000
Frenchman Bay Association	Construction of bird hide at Lake Vancouver, Goode Beach, Vancouver Peninsula, Albany (10051)	\$14 000
Friends of the Porongurup Ranges	Declared and environmental weed control in and around the National Heritage listed Porongurup National Park	\$50 000
Gillamii Centre	The treatment of invasive Golden Wattle populations within the Gillamii service area (10038)	\$47 700
Green Skills	Senecio glastifolius eradication (10039)	\$50 000
King River Weed Control and River Restoration Group	Meet and greet to preserve our reserves (10047)	\$22 500
North Stirlings Pallinup Natural Resources	Greening tributaries of the Pallinup River and promoting landcare in the North Stirlings Pallinup region (10044)	\$48 900
Ravensthorpe Agricultural Initiative Network	Improving the health, water quality and community awareness of Dunns Swamp at Hopetoun (10048)	\$11 100
Shire of Denmark	Biodiversity surveys Mt Hallowell Reserve and Wilson Inlet Foreshore Reserves, Denmark (10052)	\$19 560
Shire of Esperance	Walker St Public Open Space (10050)	\$20 000
Torbay Catchment Group	Drain restoration, revegetation and weed control along a section of Undeyup Creek (10045)	\$22 969
Wilson Inlet Catchment Committee	Watsonia control in Narrikup (10040)	\$10 000

South coast region continued...

Recipient	Project title	Grant
Dujimerrup Twonkup Aboriginal Corporation	An indigenous restoration initiative: fencing and revegetation of riparian and remnant revegetation on Dowrene Farm (withdrawn)	\$27 500
Grahams Land and Sea Aboriginal Corporation	Protection and enhancement of a heritage listed fragile wetland and surrounding remnant bushland (10054)	\$38 000
Shire of Denmark	Revegetation of priority sites on the Wilson Inlet Foreshore Reserves, Denmark (10053)	\$8 010
Tambellup Noongar Land Aboriginal Corporation	Integrated property management to contain salinity and protect riparian land (Gordon River) on Tammar Farms (10055)	\$45 300
Wongutha CAPS Development Trust	Protection/enhancement of remnant bushland and addressing soil erosion with windbreaks and perennial pastures Wongutha CAPS (10056)	\$28 000

South west region

Recipient	Project title	Grant
Blackwood Basin Group	Plans to action on ground funding for the Blackwood (10072)	\$50 000
Capel LCDC	Arum Lily eradication in Capel Tuart forests at Ludlow and Minninup (10059)	\$14,000
	Fencing to enhance the survival of diverse flora of Minninup Block of the Ludlow Tuart forest (10069)	\$20 000
Cape to Cape	Protecting high value assets in the Quininup catchment by assessing its condition and on ground actions (10071)	\$48 760
Coolup LCDC	Fox and rabbit control in the coastal Peel-Harvey catchment (10062)	\$11,000
Geographe Catchment Council	Keeping Geographe Bay OK – reducing nutrient from urban areas (10067)	\$45 500
Katanning LCDC	Continuing the fight against bridal creeper (10058)	\$50,000
	From drain to living stream – Katanning Creek (10066)	\$36 050
	Much to do about saving a lake – Ewlymartup (10065)	\$42 590
Keysbrook Environmental Group	Protection of rare flora against Phytophthora attack on conservation zone in Keysbrook (10064)	\$14 100
Landcare SJ	Invasive species control and revegetation for protection of threatened ecological communities in Brickwood Reserve, Byford (10070)	\$17 600
Serpentine Jarrahdale Shire	Weed control in Reserves that contain TEC and Declared Flora in Serpentine (10061)	\$19,000
	Instigating biological control methods against mistletoe within the old Rifle Range Reserve, Byford (10063)	\$47,330
	Healthy habitats (10068)	\$48 900
Shire of Bridgetown-Greenbushes	Strategic wash down bays, equipment and procedures to minimise soil stored Cape Broom seed dispersals (10060)	\$12,200
Southern Aboriginal Corporation	Improving fauna movement and rehabilitating saline lands on Marribank Farms to protect Blackwood River tributaries (10073)	\$38 000

Wheatbelt region

Recipient	Project title	Grant
Shire of Mt Marshall	Protection and preservation of Mt Marshall Rock Reserve (10036)	\$8 900
Shire of Quairading	Quairading Town Common Reserve water and revegetation (10037)	\$15 000
Shire of York	Protection and conservation of the Avon River in the York Shire (10035)	\$5 760
Southern Brook Catchment Group	Southern Brook revitalisation: protecting and enhancing key tributaries and conservation assets in the Southern Brook locality (10034)	\$48 983

Successful projects – March 2010

Northern Agricultural region

Recipient	Project title	Grant
Bush Heritage Australia	Fire management and feral animal control on Charles Darwin Reserve (09073)	\$19 000
Moore Catchment Council	Recovery and Protection of Moore River Catchments threatened natural assets (09047)	\$199 800
Shire of Chapman Valley	Moresby Ranges Plan Implementation Phase 1 and engagement (09078)	\$145 000

Perth region

Recipient	Project title	Grant
Australian Wildlife Conservancy	Securing the future of the Karakamia Woylies (09072)	\$50 000
Blackadder Woodbridge Catchment Group	Blackadder Subcatchment biosecurity (09091)	\$25 000
Chittering Valley LCDC	Weed control in Lake Needonga (09063)	\$10 500
Eastern Metropolitan Regional Council	Native fish fauna monitoring of the Helena River (09049)	\$34 459
Friends of Bennett Brook	Post fire restoration of Bennett Brook to protect water quality and the endangered Southern Brown Bandicoot (09057)	\$72 728

Rangelands region

Recipient	Project title	Grant
Australian Wildlife Conservancy	Calotropis control - Annie Creek (09085)	\$24 000
	Parkinsonia control in the Upper Fitzroy Catchment (09042)	\$36 000
	Weed eradication on Faure Island wildlife sanctuary in world heritage listed Shark Bay (09071)	\$19 500
Centre for Fish and Fisheries Research, Murdoch University	Conserving with community the endangered freshwater sawfish in the Fitzroy River (09050)	\$110 000
Environs Kimberley	Managing fire and biodiversity conservation in the West Kimberley (09080)	\$99 000
Kimberley Land Council	Assessing and managing the impacts of feral pigs on high conservation value waterways in the upper Fitzroy River catchment (09051)	\$36 128
North Kimberley LCDC	Kimberley Grader Grass Action Plan (09084)	\$10 000
Pilbara Mesquite Management Committee	Advancing effective management of invasive weeds in Pilbara (09028)	\$140 500
Tirralintji Aboriginal Community	Weed control at Lake Gladstone (09087)	\$9 000
University of Western Australia	Effects of nutrient enrichment and toxic Lyngbya blooms on benthic invertebrates and migratory shorebird communities of Roebuck Bay Ramsar site (09060)	\$141 561
Yawoorroong Miriuwung Gajerrong Yirrgeb Noog Dawang Aboriginal Corporation	Miriuwung Gajerrong fire management (09088)	\$250 000

South coast region

Recipient	Project title	Grant
Fitzgerald Biosphere Group	Buffering priority areas by controlling the spread of dieback - Western Fitzgerald Biosphere (09070)	\$110 000
Green Skills	Geekabee Hill eco-link remnant vegetation (09064)	\$17 570
Kimberley Land Council	Mitigation of biosecurity threats along the north east Kimberley coast (09074)	\$106 000
Oyster Harbour Catchment Group	Management actions to address climate change and degradation of Oyster Harbour catchment (09077)	\$116 000
South Coast NRM	Controlling priority invasive weed species in South Coast (09056)	\$246 000
	Environmental weed control surrounding the Porongurups (09055)	\$49 500
	Protection and recovery of high priority biodiversity assets in South Coast (09053)	\$140 000
	Protection by prevention -protecting priority areas from dieback in eastern South Coast (09054)	\$127 218
	Protection by prevention -protecting priority areas from dieback; Walpole wilderness and Mt Lindesay (09052)	\$104 218
South Coast Progress Association Weeding Group	Introduced wattle eradication South Coast (09043)	\$6 000

South west region

Recipient	Project title	Grant
Augusta-Margaret River Tourism Association	Lake and Jewel Cave Hydrology and recovery (09075)	\$150 000
Cape to Cape Catchments Group	Protecting and restoring ecological connectivity within the Cape to Cape catchment (09079)	\$45 000
Hotham Catchment Landcare	Coordination of feral pig control to reduce the impacts in Peel-Harvey and Leschenault Catchments (09090)	\$250 000
Katanning LCDC	Fighting bridal creeper in the Upper Blackwood (09065)	\$84 600
Leschenault Catchment Council	Maintaining the WA Blackberry containment line (09081)	\$229 676
Peel Harvey Catchment Council	Mayfield main drain sub-catchment water quality improvement plan including foundational activities (09058)	\$53 669
Serpentine River Group/Lowlands Conservation Association	Protecting and restoring freshwater ecosystem health in the Serpentine River, an adaptive management approach (09082)	\$18 700
Shire of Capel	Fox control across the Capel, Dardanup and Busselton Shires (09048)	\$74 996
Shire of Collie	Biodiversity assessment and planning, and commencing management of Shire of Collie natural reserves (09044)	\$50 000
Shire of Murray	Fencing, weed and access control in priority Shire of Murray Reserves (09059)	\$16 500
Shire of Serpentine Jarrahdale	Protection and enhancement of a priority 4 species and enhancement of wetlands in bush forever site 378, Serpentine (09089)	\$14 000
Walpole-Nornalup National Parks Association	Protection of the Owingup Wetland System (09045)	\$165 000
Warren Catchment Council	Control of Blackberry and Bridal Creeper in the Warren River catchment (09076)	\$150 000

Wheatbelt region

Recipient	Project title	Grant
Birds Australia, WA	Carnaby's Black Cockatoo Recovery (09062)	\$250 000
Camm River Paleo-Valley Rehabilitation Committee	Camm River paleo-valley rehabilitation (09061)	\$150 000
Shire of Mt Marshall	Mt Marshall Malleefowl Awareness (09041)	\$15 000
Shire of Narembeen	Control of mammalian pest species to protect and enhance threatened Red Tailed Phascogale and allow re-establishment of other threatened fauna at Wadderin Sanctuary (09046)	\$114 008
Western Australian Local Government Association	Developing strategic road reserve asset management plans to maximise biodiversity, land, water conservation outcomes by local government (09066)	\$170 500
Wheatbelt NRM	Establishment of Wheatbelt Regional Biosecurity Group (09069)	\$82 500
	Red card for red fox and rabbit (09068)	\$110 000
	Riparian improvement of priority Avon River Pools – Gwambygine (09067)	\$200 000
	Water management planning for Avon Arc towns (09083)	\$71 200
