

# State NRM Program Community Grants

## Successful projects - October 2012

### Rangelands region

Proponent	Project title	Funding
Broome Bird Observatory	Building community involvement in protecting the internationally threatened shorebirds of Roebuck Bay	\$10 940
Carnarvon Rangelands Biosecurity Association	Control of mesquite and parkinsonia within the Carnarvon Rangelands Biosecurity Association	\$50 000
Freshwater Fish Group & Fish Health Unit, Murdoch University	Pilbara freshwater fish education project: a field guide and underwater documentary	\$35 000
Jarlmadangah Burra Aboriginal Corporation	Distribution and abundance survey of Aboriginal medicine tree <i>B acuteangula</i> along the Fitzroy River	\$50 000
Ord Land and Water	Control and containment of Bellyache Bush on Lake Kununurra	\$17 000
Ord Land and Water	Demonstrating erosion control on susceptible soils in the East Kimberley	\$18 000
Ord Land and Water	Mesquite control on Nicholson Station	\$20 000
Shire of Upper Gascoyne	Gascoyne Junction flood recovery	\$45 000
Track Care WA Inc	Protection and preservation of the natural assets in priority locations on the Canning Stock Route	\$50 000
Upper Gascoyne LCDC	Gascoyne River catchment conservation, restoration and rehabilitation	\$25 000
Useless Loop Community Biosphere Project Group	Conserving threatened wildlife at Heirisson Prong, Shark Bay	\$34 000

## Northern Agricultural region

<b>Proponent</b>	<b>Project title</b>	<b>Funding</b>
Centre for Marine Science and Technology	Developing a photo identification software for individual recognition of Australian Sea Lions through a community based approach	\$16 864
Chittering Valley LCDC	Revegetation of Long Bridge Gully tributary	\$20 599
Moore Catchment Council	Planting feed species for Carnaby's Black Cockatoo in the Moora and Koobabbie Important Bird Areas	\$45 000
Shire of Chapman Valley	Catchment management of the Chapman River and its tributaries	\$50 000
Shire of Chapman Valley	Invasive species management and restoration works on the Moresby Ranges	\$50 000
Shire of Chapman Valley	Weed mapping along the Chapman River	\$12 000
West Midlands Group	Restoring the Warradarge Creek to increase landscape connectivity in the West Midlands region.	\$49 830

## Wheatbelt region

<b>Proponent</b>	<b>Project title</b>	<b>Funding</b>
Hyden Progress Association	Survey for the endangered red-tailed phascogale in the eastern wheatbelt of WA	\$40 000
Lake Grace LCDC	Jam Patch protection	\$40 250
Meenar Mortlock Catchment Group	Friends of Mortlock and Mortlock South mid-catchment restoration - Duck Pool to Northam	\$25 000
Quellington Restoration Group	Friends of Mortlock and Mortlock South mid-catchment restoration - Duck Pool to Quailing Gully	\$25 000
Shire of Kellerberrin	Communities working together to control feral pests for environmental conservation	\$25 000
Shire of Kulin	Shire of Kulin revegetation and native bushland protection	\$23 000
Shire of Merredin	Revegetation of the Cohn Creek section and exhausted gravel reserves in Merredin	\$10 000
Shire of Quairading	Integrated NRM in the Quairading, Tammin and Cunderdin shires	\$50 000
Shire of Toodyay	Malkup Brook restoration	\$16 582
Shire of Westonia	Westonia vermin control stage 2	\$13 086
Wadderin Group	Community action to restore biodiversity to the central wheatbelt of WA	\$29 737

## Perth region

Proponent	Project title	Funding
Armadale Gosnells Landcare Group	Palomino seasonal damp zone	\$48 600
Australian Wildlife Conservancy	Ensuring the ongoing protection of endangered and threatening species at Karakamia Wildlife Sanctuary	\$48 485
Australian Wildlife Conservancy	Protection of endangered species at Paruna Wildlife Sanctuary through feral animal control	\$23 033
Blackadder/Woodbridge Catchment Group Inc	North Swan Park species richness	\$21 500
Bungendore Park Management Committee	Weed control and dieback treatment, Bungendore Park and adjacent land.	\$18 000
Canning River Regional Park Volunteers	Extension of urban forest weed control	\$18 220
Cockburn Wetlands Education Centre Inc	Revegetation and habitat rehabilitation within Bibra Lake	\$24 205
Eastern Metropolitan Regional Council	Helping the Helena - water quality monitoring of pollutants for linkages in fish and mussel decline	\$37 500
Eastern Metropolitan Regional Council	Saving a keystone species and the integrity of the ecosystem	\$50 000
Friends of John Forrest National Park	War on Watsonia in John Forrest National Park - protecting the declared rare flora <i>Diplolaena andrewsii</i>	\$24 700
Friends of Lake Claremont	Lake Claremont revegetation extension	\$50 000
Friends of North Ocean Reef - Iluka Foreshore	Cape Tulip control and eradication in Bush Forever site 325	\$13 470
Friends of Paganoni Swamp	Control of significant weeds on Paganoni Rd's southern road reserve ecological corridor	\$17 000
Jane Brook Community Association	Jane Brook foreshore reserve rehabilitation	\$50 000
Jillara Giants	Rehabilitation of the upper Lesmurdie Falls	\$24 275

## Perth region continued ...

<b>Proponent</b>	<b>Project title</b>	<b>Funding</b>
Mullaloo Beach Community Group	Mullaloo dune rehabilitation stage 2	\$10 000
Mundaring Primary School	Weed control, habitat protection and environmental education program Mardo Reserve and road verge around Mundaring Primary School	\$23 750
Murdoch Environmental Restoration Group	Biodiversity management of Beeliar Regional Park	\$48 000
SERCUL	Canning River foreshore restoration	\$50 000
SERCUL	Protecting, maintaining and restoring refuges for aquatic life within the Yule Brook waterway and Bickley reservoir	\$40 300
SERCUL	Restoring the Bickley Brook foreshore upstream of the Bickley Reservoir	\$32 900
Shire of Kalamunda	Kalamunda Phytophthora dieback interpretation and invasive species control	\$14 873
Swan Estuary Reserves Action Group Inc	Restoration of the ecological integrity of the Marine Park foreshore in Alfred Cove - stage 1	\$21 089
Town of Kwinana	Detailed Phytophthora dieback assessments and bushland condition mapping in the Town of Kwinana's natural areas	\$25 646
Western Australian Mountain Bike Association	Removal/realignment of cycle trails from Reservoir protection area and access trails to disease risk area	\$44 200
Woodvale Waters Land Owners Association Inc	Yellagonga Regional Park Woodvale revegetation enhancement	\$10 000

## South west region

Proponent	Project title	Funding
Baldivis Children's Forest Inc	Revegetation of tuart woodlands, feral bee control and learning through community engagement and action.	\$30 690
Blackwood Basin Group	Managing salinity in the Dinninup catchment	\$50 000
Blackwood Basin Group	Qualeup Lakes improvement	\$29 700
Blackwood Basin Group	Regenerating the Wattle Creek catchment	\$50 000
Cape to Cape Catchments Group	Development and implementation of the Calgardup Brook action plan	\$50 000
Dumbleyung LCDC	Sustainably managing the catchments surrounding the Dumbleyung Lake	\$45 000
Friends of Nangip Creek	Revegetation of Nangip catchment to reduce threats of salinity in Nangip Reserve	\$50 000
Geographe Catchment Council	Building community and industry capacity to achieve water quality outcomes	\$42 700
Geographe Catchment Council	Busselton urban wetland restoration	\$29 564
Geographe Catchment Council	Ecological restoration of Geographe streams	\$39 250
Geographe Catchment Council	Gynudup Brook and Tren Creek River Action Plan review and strategic fencing	\$34 000
Geographe Catchment Council	Riparian management on recovery streams in the Geographe Catchment	\$36 000
John Tonkin College Bushrangers Cadet Program	Construction and erection of bat/possum boxes to be used in the JTC LfW site	\$10 000
Katanning LCDC	Combined communities control of creepy WONS	\$45 000
Landcare SJ Inc	Reducing the threats in the nationally significant Brickwood Reserve Byford	\$10 000
Ngalang Boodja Council Aboriginal Corporation Inc	Conservation and restoration of flora and fauna at the Jack Mears Park spring, Collie	\$40 500
Serpentine Jarrahdale LCDC	Control of blackberry and arum lily, and site revegetation on the Serpentine River	\$15 400
Shire of Manjimup	Mottram St Reserve returning a significant stream and forest reserve towards their natural state - stage 3	\$49 200

## South west region continued ...

<b>Proponent</b>	<b>Project title</b>	<b>Funding</b>
Shire of Serpentine Jarrahdale	“Healthy Habitats” – a national award-winning Stewardship Program for conservation of biodiversity on private property	\$49 600
Shire of Waroona	Preston Lake trail upgrade	\$20 000
Shire of West Arthur	Riparian protection and revegetation on Omaru and Carragaline properties in the Manywaters catchment	\$35 000
Southern Dirt	A Nobleman's Folly - revegetating and protecting Cockatoo Creek Catchment	\$15 000
Wagin Woodanilling Landcare Zone	SalinitySync - A sub-catchment approach to planning and implementing large scale saline land rehabilitation	\$10 000
Warren Catchments Council	Maximising environmental value of remnant native vegetation: a blueprint for landholders	\$50 000
Wellington Mills Community Association	Restoration of Ferguson River vegetation in the locality of Wellington Mills	\$26 942
West Arthur Declared Species Group	Understanding population influences and continuing to control feral pigs in the Shire of West Arthur	\$25 000

## South coast region

<b>Proponent</b>	<b>Project title</b>	<b>Funding</b>
Albany Racing Club Inc	Protecting the biodiversity and integrity of the Torndirrup Nature Reserve from environmental weed threats	\$38 250
City of Albany	Biodiversity conservation through the stabilisation of 4WD tracks within the Lowlands coastal reserve	\$26 000
City of Albany	Phase 2: Centennial Park wetland living stream restoration	\$29 000
Fitzgerald Biosphere Group	Celebrating 30 yrs of Landcare in the Fitzgerald Biosphere	\$33 000
Friends of Fitzgerald River National park	Restoration of the Twertup Field Studies Centre, Fitzgerald River National Park	\$40 000
Green Skills	Forests to Stirling Gondwana Link - from plans to action	\$30 000
Green Skills	Sydney wattle eradication pilot on Torndirrup Peninsular	\$50 000
Ravensthorpe Agricultural Initiative Network	Advancing weed control and community involvement at Dunns Swamp	\$15 980
Shire of Denmark	Restoration of Poison Point and access restriction	\$18 000
Shire of Plantagenet	Mt Barker urban wetland restoration	\$40 000
Wellstead Community Resource Centre	Protecting the integrity of the Wellstead and Pallinup biodiversity from the threat of weed invasion.	\$43 210
