

State NRM Program community grants

Successful projects 2011-12

Northern Agricultural region

Project title	Proponent	Funding
Decreasing Irwin River sedimentation by using a biological control to reduce Paterson's Curse infestations.	Mingenew Irwin Group	\$15,175
Reducing sedimentation in the Irwin River by rehabilitating Nangetty clays on Irwin River Station	Mingenew Irwin Group	\$17,000
Sustaining our environment and agricultural assets through vermin control in the West Midlands	West Midlands Group	\$45,400
Protecting on-farm remnants	West Midlands Group	\$44,552
Terra Grata malleefowl survey	Malleefowl Preservation Group	\$10,000
Fowler's fencing – linking Moresby Ranges and Chapman River	City of Geraldton-Greenough	\$19,500
Chapman River Wildlife Corridor Regeneration stage 1	City of Geraldton-Greenough	\$48,700
Upper Chapman River Catchment Action Plan Implementation	Shire of Chapman Valley	\$50,000
Improving habitat and connectivity in the farming landscape for birds in the Moore River catchment	Moore Catchment Council	\$32,000
Ensuring the long term effectiveness of saltland reclamation adjacent to the Moore River, Gillingarra	West Koojan Gillingarra LCDC	\$50,000
Moresby Ranges Plan Implementation phase 2 and engagement	Shire of Chapman Valley	\$50,000
Encourage the uptake of native woody perennials establishment in the eastern NAR	Moore Catchment Council	\$42,680

Rangelands region

Project title	Proponent	Funding
Pilbara aboriginal native seed collection and propagation	Ashburton Aboriginal Corporation	\$50,000
Eighty Mile Beach Ramsar site fencing	Greening Australia (WA)	\$50,000
Roebuck Bay fine scale habitat modelling to determine key habitat for marine wildlife and prey	Environs Kimberley	\$26,950
2011 bird survey of Faure Island wildlife sanctuary: shorebirds, pied cormorants and future translocations	Australian Wildlife Conservancy	\$25,820
A comprehensive assessment of the natural and cultural assets of the Carnarvon Ranges	Central Desert Native Services on behalf of Mungarlu Ngurrankatja Rirraunkaja Aboriginal Corporation	\$50,000
A natural and cultural heritage management strategy for Ngururpa Country	Central Desert Native Title Services	\$49,740
Protecting environmental and agricultural assets of the East Kimberley	Ord Land and Water	\$50,000

Wheatbelt region

Project title	Proponent	Funding
Southern Brook revitalisation: protecting and enhancing key tributaries and conservation assets in the Southern Brook locality	Southern Brook Catchment Group	\$48,983
Protection and conservation of the Avon River in the York Shire	Shire of York	\$10,000
Protection and preservation of Mt Marshall Rock Reserve	Shire of Mt Marshall	\$8,000
Quairading Town Common Reserve water and revegetation	Shire of Quairading	\$15,000

Perth region

Project title	Proponent	Funding
Hand weeding and mapping environmental weeds in the Queens Park Regional Open Space Reserves	Friends of Queens Park Bushland	\$30,400
Invasive weed eradication within the Beeliar Regional Park - Murdoch University	Murdoch University	\$10,000
Watsonia roadside control within the Jane Brook catchment	Shire of Mundaring	\$17,000
Halting the infestation of the aggressive freshwater fish, the Pearl Cichlid in the Swan River catchment	Centre for Fish and Fisheries Research, Murdoch University	\$41,444
Dieback treatment and weed control Bungendore Park and adjacent land	Bungendore Park Management Committee	\$16,500
Revegetation and weed control on the limestone heath land of Chalk Hill, Kwinana	Town of Kwinana	\$13,000
Revegetation of the north west section of Lake Claremont to restore indigenous woodlands	Friends of Lake Claremont	\$45,000
Garvey Park Foreshore Stabilisation Section 4	City of Belmont	\$32,786
Fern Rd East - revegetation stage 1	Wilson Wetlands Action Group	\$22,655
The restoration of the ecological integrity of Pelican Point A Class Reserve	Swan Estuary Reserves Action Group	\$31,732
Regeneration and revegetation on the Canning River foreshore	South East Regional Centre for Urban Landcare	\$50,000
Strengthening Our Streams - riparian restoration of priority areas of the Swan and Helena Rivers	Eastern Metropolitan Regional Council	\$47,415
Nicholson Rd billabong flood plain restoration	Canning River Regional Park Volunteers	\$23,815
Nicholson Rd bushland restoration and weed management (Bush Forever site 456)	South East Regional Centre for Urban Landcare	\$43,585

South coast region

Project title	Proponent	Funding
The treatment of invasive Golden Wattle populations within the Gillamii service area.	Gillamii Centre	\$47,700
Senecio glastifolius eradication	Green Skills	\$50,000
Watsonia control in Narrikup	Wilson Inlet Catchment Committee	\$10,000
Declared and environmental weed control in and around the National Heritage listed Porongurup National Park	Friends of the Porongurup Ranges	\$50,000
Increasing land management capacity and protection of rehabilitation and conservation values in the Western Fitzgerald Biosphere	Fitzgerald Biosphere Group	\$50,000
Lake Seppings western shore rehabilitation	Bushcarers Group	\$10,520
Greening tributaries of the Pallinup River and promoting landcare in the North Stirlings Pallinup region	North Stirlings Pallinup Natural Resources	\$48,900
Drain restoration, revegetation and weed control along a section of Undeyup Creek	Torbay Catchment Group	\$22,969
Riparian vegetation protection and livestock exclusion fencing in the Stokes Inlet and Coomalbidgup catchments	Esperance Regional Forum	\$50,000
Meet and greet to preserve our reserves	King River Weed Control and River Restoration Group	\$22,500
Improving the health, water quality and community awareness of Dunn's Swamp at Hoptoun	Ravensthorpe Agricultural Initiative Network	\$11,100
Fish traps	Albany Heritage Reference Group Aboriginal Corporation	\$50,000
Walker St Public Open Space	Shire of Esperance	\$20,000
Construction of bird hide at Lake Vancouver, Goode Beach, Vancouver Peninsula, Albany	Frenchman Bay Association	\$14,000
Biodiversity surveys Mt Hallowell Reserve and Wilson Inlet Foreshore Reserves, Denmark	Shire of Denmark	\$19,560

South coast region continued...

Project title	Proponent	Funding
Revegetation of priority sites on the Wilson Inlet Foreshore Reserves, Denmark	Shire of Denmark	\$8,010
Protection and enhancement of a heritage listed fragile wetland and surrounding remnant bushland	Grahams Land and Sea Aboriginal Corporation	\$38,000
Integrated property management to contain salinity and protect riparian land (Gordon River) on Tammar Farms	Tambellup Noongar Land Aboriginal Corporation	\$45,300
Protection/enhancement of remnant bushland and addressing soil erosion with windbreaks and perennial pastures Wongutha CAPS	Wongutha CAPS Development Trust	\$28,000
An indigenous restoration initiative: fencing and revegetation of riparian and remnant revegetation on Dowreene Farm	Dujimerrup Twonkup Aboriginal Corporation	\$27,500

South west region

Project title	Proponent	Funding
Continuing the fight against bridal creeper	Katanning LCDC	\$50,000
Arum Lily eradication in Capel Tuart forests at Ludlow and Minninup	Capel LCDC	\$14,000
Strategic wash down bays, equipment and procedures to minimise soil stored Cape Broom seed dispersals	Shire of Bridgetown-Greenbushes	\$12,200
Weed control in Reserves that contain TEC and Declared Flora in Serpentine	Serpentine Jarrahdale Shire	\$19,100
Fox and rabbit control in the coastal Peel-Harvey catchment	Coolup LCDC	\$11,000
Instigating biological control methods against mistletoe within the old Rifle Range Reserve, Byford	Serpentine Jarrahdale Shire	\$47,330

South west region continued...

Project title	Proponent	Funding
Protection of rare flora against Phytophthora attack on conservation zone in Keysbrook	Keysbrook Environmental Group	\$14,100
Much to do about saving a lake – Ewlymartup	Katanning LCDC	\$42,590
From drain to living stream – Katanning Creek	Katanning LCDC	\$36,050
Keeping Geographe Bay OK – reducing nutrient from urban areas	Geographe Catchment Council	\$45,500
Healthy habitats	Serpentine Jarrahdale Shire	\$48,900
Fencing to enhance the survival of diverse flora of Minnipup Block of the Ludlow Tuart forest	Capel LCDC	\$20,000
Invasive species control and revegetation for protection of threatened ecological communities in Brickwood Reserve, Byford	Landcare SJ	\$17,600
Protecting high value assets in the Quininup catchment by assessing its condition and on ground actions	Cape to Cape	\$48,760
Plans to action on ground funding for the Blackwood	Blackwood Basin Group	\$50,000
Improving fauna movement and rehabilitating saline lands on Marribank Farms to protect Blackwood River tributaries	Southern Aboriginal Corporation	\$38,000
